

1100R Wireless Repeater

October 2009

Hardware Update

Effective October 2009, all 1100R Wireless Repeaters are being manufactured with updated Level B hardware. The UL Listed Level B production units will begin shipping once current inventory is depleted, approximately middle to late October 2009.

Updated Hardware

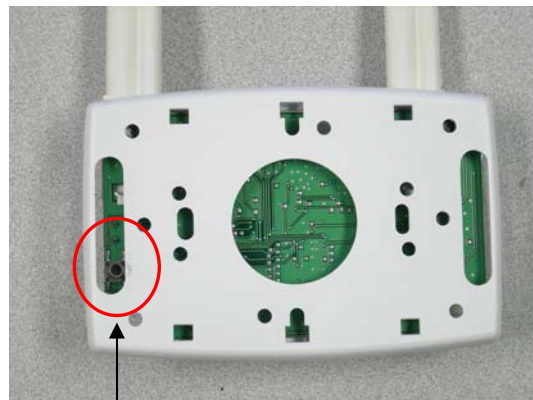

UL Listings

The new Level B 1100R hardware now provides a wall tamper switch to meet the UL requirements for the following UL standards:

- ANSI/UL 365 Police Station Connected Burglar
- ANSI/UL 609 Local Burglar Alarm Units and Systems
- ANSI/UL 634 Connections and Switches for use with Burglar Alarm Systems Accessory
- ANSI/UL 639 Intrusion Detection Units Accessory
- ANSI/UL 1023 Household Burglar Alarm System Units
- ANSI/UL 1076 Proprietary Burglar Alarm Units
- ANSI/UL 1610 Central Station Burglar Alarm Units
- ANSI/UL 268 Smoke-Automatic Fire Detectors
- ANSI/UL 985 Household Fire Warning System

Purchasing the New Hardware

The 1100R Level B hardware can be purchased at buy.dmp.com or by contacting Customer Service at 1-800-641-4282. Older 1100R Repeaters built prior to the UL listing cannot be updated to Level B.
