XR150/XR550 Series Panel

DMP

Compliance Note

Underwriters Laboratories Listings

ALVY.S3598   **Access Control System Units**

The basic standard used to investigate products in this category is UL 294, "Access Control System Units."

AMCX.S3598   **Central Station Alarm Units (Commercial Burglary)**

The basic standards used to investigate products in this category are UL 1610, "Central-Station Burglar Alarm Units" and UL 1635, "Digital Alarm Communicator System Units."

UTOU.S3598   **Control Units and Accessories, Household System Type (Residential Fire)**

The basic standard used to investigate products in this category is UL 985, "Household Fire-Warning System Units."

UOJZ.S3598   **Control Units, System (Commercial Fire)**

The basic standard used to investigate products in this category is UL 864, "Control Units for Fire-Protective Signaling Systems."

UOXX.S3598   **Control Unit Accessories, System (Commercial Fire - Accessories)**

The basic standard used to investigate products in this category is UL 864, "Control Units for Fire-protective Signaling Systems."

NBSX.S3598   **Household Burglar Alarm System Units (Residential Burglary)**

The basic standard used to investigate products in this category is UL 1023, "Household Burglar Alarm System Units."

APOU.S5392   **Proprietary Alarm Units (Commercial Burglary)**

The basic standard used to investigate products in this category is UL 1076, "Proprietary Burglar Alarm Units and Systems."

ANET.S5392   **Holdup Alarm Units**

The basic standard used to investigate products in this category is UL 636, "Holdup Alarm Units and Systems"

AOTX.S3598   **Police Station Alarm Units (Commercial Burglary)**

The basic standards used to investigate products in this category are UL 365, "Police Station Connected Burglar Alarm Units and Systems" and UL 464, "Audible Signal Appliances."

UROX.S7237   **Smoke-Automatic Fire Detectors**

The basic standard used to investigate open-area and releasing-service detectors in this category is ANSI/UL 268"Smoke Detectors for Fire Alarm Signaling Systems."

Underwriters Laboratories of Canada Listings

AMCXC.S3598   **Central and Monitoring Station Burglar Alarm System Units (Commercial Burglary)**

Products listed to this CCN/Guide No. have been found to meet the applicable requirements of the following: CAN/ULC-S304 "Standard for Central and Monitoring Station Burglar Alarm Units".

NBSX7.S3598   **Household Burglar Alarm System Units**

Products listed to this CCN/Guide No. have been found to meet the applicable requirements of the following: ULC Subject-C1023," Household Burglar Alarm System Units".

UTOUC.S3598   **Household Fire Warning System Units (Residential Fire)**

Products listed to this CCN/Guide No. have been found to meet the applicable requirements of ULC-S545, "Standard for Residential Fire Warning System Control Units".

APOU7.S3598   **Proprietary Burglar Alarm System Units (Commercial Burglary)**

Products listed to this CCN/Guide No. have been found to meet the applicable requirements of the following: ULC/ORD-C1076, "Standard for Proprietary Burglar Alarm Units and Systems "

DAYR7.S3598   **Central Station Fire Alarm System Units (Fire Communicator)**

The basic standard used to investigate products in this category is CAN/ULC-S559, "Equipment for Fire Signal Receiving Centers and Systems."

NIST Certification

AES 2350   XR550E Encryption Certificate - 128-bit

AES 2595   XR550E Encryption Certificate - 256-bit

California State Fire Marshal Listing

135   Control Unit (Commercial) XR150, XR350, XR550

134   Control Unit (Household) XR150, XR350, XR550

137   2W-BLX/2WT-BLX Smoke Detectors

112   Pull Stations (850S/850D)
